HOW IT WORKS:

Payments are due on Fridays, based on the payment option you have selected—whether it is monthly, weekly, or biweekly. You will receive an invoice via email on Fridays outlining the payment details. Please note that payments can be made using either a debit or credit card via the invoice, or payments are accepted through Zelle. If you choose to pay by debit or credit card, please keep in mind that there is a 4% processing fee associated with these transactions and it is included in the invoice. Alternatively, you can opt to send your payments via Zelle with no processing fees.

FIRST PAYMENT

Your first tuition payment will be due the Friday before the start of class. Please be on the lookout for your first invoice sent via e-mail.
